

How to add SB4WD to your Cal 4WD Membership

1. Navigate to <https://cal4wheel.com> and sign in (or create an account)

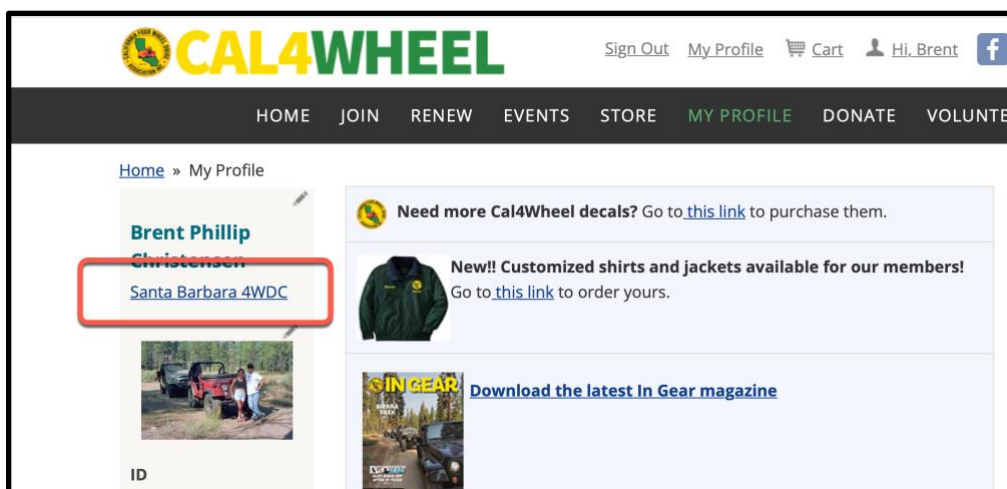

2. Once signed in, select the "My Profile" option

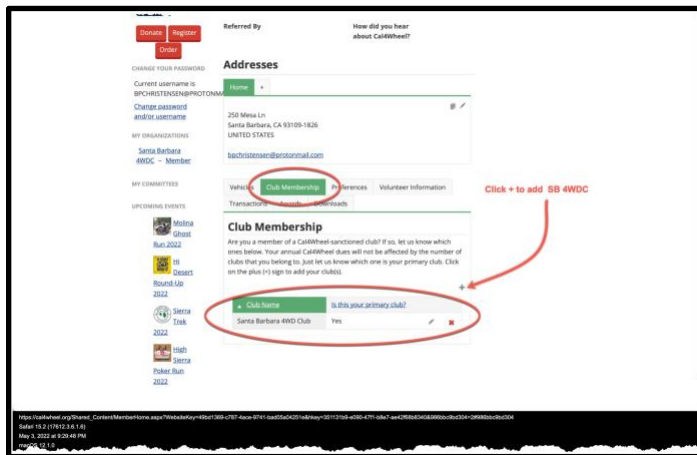

Scroll down and click the tab for "Club Memberships:

If you see "[Santa Barbara 4WDC](#)" on the left side immediately under your name, you are good!

If you don't see it listed, then scroll down to the bottom of the page and select the tab that says "Club Membership" and click the "+" sign to add. (you will probably see "Vehicles" highlighted in green by default, select "Club Membership" so that it turns green)

Scroll through the list until you find “Santa Barbara 4WD Club” (you can type “s” to jump to that section and then scroll).
